

St. Thomas More Catholic School
Reaching Minds + Touching Hearts + Shaping Souls

Roman Catholic Parish Affiliation Form
 20__ - 20__ Academic Year

The tuition rate for baptized Catholic students from families who are **active, contributing** members of a Catholic parish which has a tuition agreement with St. Thomas More School is lower than for students who are not affiliated with such a parish. Without the form which follows, signed by your pastor, your family will be classified as and charged the “non-affiliated” rate.

Your status as an **active, contributing** parishioner is verified annually by your parish. New parishioners at a parish (i.e. registered members for fewer than 12 months) should expect to provide a letter to their current parish from their former parish attesting to their active, contributing status at their former parish. Your current parish will consider this information in deciding your eligibility for being considered an **active, contributing** parishioner for the purpose of receiving the affiliated tuition rate.

Your pastor’s signature on this form is not automatic / a mere formality. In general, to be considered **active and contributing**, you must be a good steward meeting **all** of the following criteria for the past 12 months:

- be registered in your parish
- regularly attend worship services with your child(ren)
- actively share your time and talent with your parish
- share your treasure with your parish in regular, identifiable contributions

Check with your parish for their internal criteria, process, and documentation requirements, which may vary.
