

Saint Thomas More Lunch Program

Welcome back and hello to our new families. At Saint Thomas More, we contract with local vendors to deliver lunch to our school each day. Your family can choose to order lunch, on any day, or bring lunch from home. On the following pages, you will find information about milk ordering, lunch ordering and volunteering. When sending in snacks or lunches from home, please do not pack loose nuts of any kind; we are a nut free school. Nut butters are acceptable, unless otherwise specified by your student's teachers. We have an allergy table for use by students with allergies. Please talk to your student and let your child's teacher know if you'd like them to sit there. Please consider volunteering for the lunch program. We cannot run the lunch program without volunteers!

Volunteering

The lunch program cannot work without volunteers. We need 3 volunteers per day to get lunch and milk out to the students. Melanie Ubil, our lunch coordinator, will provide training sessions before you volunteer for the first time. This year we will need 2 volunteers to do a 2-hour shift and 1 volunteer to do a 1-hour shift. Times will be from 11:00AM-12PM or 11:00AM-1:00PM. It is a good opportunity to see your students with their friends at lunch, and if you volunteer once a month for the 2-hour shift and you can fulfill your 26 hours of volunteer commitment for the school. If you'd like to volunteer, please sign up on our signup genius:

Milk

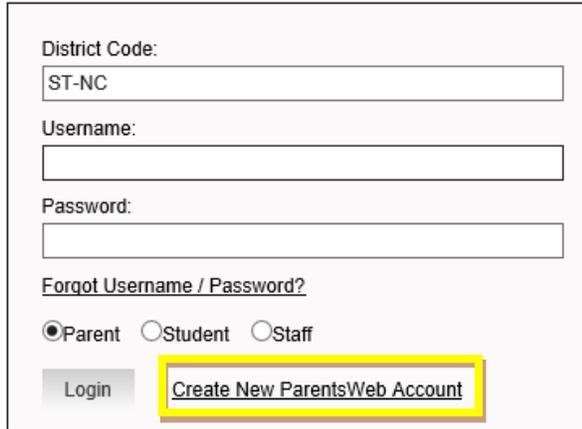

This year we continue to use RenWeb for ordering lunches. As with last year ordering milk will be on the RenWeb website. This year we will order milk yearly, this will be listed on August 27th. We have pints of 1% milk for \$.30 per day. You do not have to order lunches to receive the milk and you do not have to order milk to receive lunches. If you do not order milk, please remember to send a drink for your child.

Ordering milk & lunch

To order lunches and milk, you will log into RenWeb ParentsWeb <https://st-nc.client.renweb.com/pw/> using your login and password provided by the school. Reminders will be sent out via email when the lunch ordering period is opening and closing. We use a RenWeb service called Pay Now to pay for lunches. Much like PayPal, credit cards and e-checks can be used. Pay Now is encrypted and secure, and has a direct connection to the lunch website. Orders must be paid or they will not be processed and the order will not be placed.

To order, please log into ParentsWeb <https://st-nc.client.renweb.com/pw/>

Use our district code ST-NC and log in as a parent. If you have not logged into RenWeb before, please click on “Create New ParentsWeb Account” to create a new account. If you are a returning family, please log in with your username and password from last year.

The screenshot shows the 'Lunch Ordering' interface. At the top, there are tabs for 'Gwenyth', 'Nathan', and 'Rachel', with 'Gwenyth' selected. Below the tabs is the title 'Lunch Order Form' and a 'Display Type' selector with 'Classic' and 'Collapsible' options, where 'Collapsible' is selected. A vertical scroll bar is on the right. The main content area shows a collapsible section for 'Gwenyth (\$1.55)'. Inside this section, there is a note: 'Note: If an order for an item has been processed, you will not be able to change that item.' Below the note are five expandable items: 'Lunch Items for Monday 07/25/2016 (\$1.55)', 'Lunch Items for Tuesday 07/26/2016 (\$0.00)', 'Lunch Items for Wednesday 07/27/2016 (\$0.00)', 'Lunch Items for Thursday 07/28/2016 (\$0.00)', and 'Lunch Items for Friday 07/29/2016 (\$0.00)'. Each item has a right-pointing arrow.

When you click on the student you will see the days listed. Click on the days you'd like to order. It will show you a total for each child on each day of the week you order, and a total for the student. When you are done click on "order items".

If you look in the “Family Information” section of ParentsWeb and click on “Details” you will see your payment and your order. Please be aware that if you do not place your order you will still see a \$0 balance. You will only be able to verify if your order was placed if you click on “Details” and see the items listed. Also, if you re-click on the “create web order” your items will be listed as “Paid”.

Some things to note about this system:

- If using classic view, you can scroll through the whole month for each student. There are also tabs for each child, but you cannot switch back and forth between the tabs when placing the order.
- You’ll notice that the first 1 or 2 lines in the order form will have items that costs \$0.00. It is NOT necessary to “order” these items; this is just for your information. One of these items will show the day’s vendor. If you only click next to the vendor’s name, your child will not receive any food.
- I cannot block out days for field trips, so if you see your student’s class listed with the annotation “field trip” before the vendor’s name for that day, please do not order for that day. It is not necessary to order the \$0.00 field trip listed on that day.
- To reduce the amount of scrolling and the size of the calendar, when the email is sent letting you know that ordering is open for the month, I will attach a document with a full description of the items from the different vendors. Once the vendors are finalized for the year, the items and full description information will be on the [Lunch FAQ page](#) on our school website: www.stmcsnc.org, Parents and Students Tab.

We have a new vendor to try this year, Moe’s. We will also see the return of last year’s vendors: Rudino’s, Chick-fil-a, McAllister’s, Jason’s Deli, & PDQ.
